

"PASS IT ON"

A CAMPAIGN TO SUPPORT THE MINISTRY OF CAMP TAMARACK

How many times has that chorus been sung around a campfire at Camp Tamarack since its inception in 1958? Countless times, no doubt.

At Camp Tamarack hundreds of life-changing decisions are made, prayers are expressed and answered, young disciples make great strides in their faith journey, and leaders—young and old—give their best to children, youth and adults who gather there.

This campaign supports the evangelism, discipleship and leadership development ministry of Camp Tamarack by replacing, updating and renovating the facilities. Our goal is to “pass it on” to the next generation and proper facilities are needed.

The needs include:

Phase One Youth Center (showers/canteen/gathering space/lodging)

Replacement of the administration building that has well and mold problems for which the health department gave notice.

Maintenance Barn

Replacement of the current barn that has roof leaks and structural problems.

Campaign Expenses

Phase One Total \$475,000.00

Phase Two: John Gray Lodge Renovation
Winterization of the lodge and renovation of
Cabin Renovation &
Waterfront Storage Building

Phase Two Total \$175,000.00

Phase Three: Basile Retreat Center Renovation,
Update Vehicles & Equipment,
Endowment Fund

Phase Three Total \$200,000.00

“It only takes a spark to get a fire going, and soon all those around can warm up in its’ glowing. That’s how it is with God’s love once you’ve experienced it; you spread His love to everyone; you want to pass it on.”
