

## Tamarack and Policies & Practices

- *I am committed to Jesus Christ and I want to serve God through the camp experience.*
- *I support the "Covenant of Caring" and will do my best to be an example to all campers by my own faithful living out of that Covenant.*
- *I want to grow with the campers in loving God, in loving one another and in developing trustful and responsible relationships with God and others.*
- *I support the Tamarack philosophy of learning by living together in the spirit of Christ, with emphasis on attitudes, feelings, values and beliefs over and above the learning of facts and skills.*
- *I will seek to promote the health and safety of the campers and to protect them from all forms of abuse.*

## "Covenant of Caring"

*I agree to participate in all aspects of the camping experience:*

- *To respect the privacy, property and dignity of others. One evidence of this will be to treat each cabin/room as an area to be entered only by the person's assigned;*
- *to cooperate by being in my cabin, during quiet time and during appointed times for rest and sleep;*
- *to respect all policies and guidelines established by the Director of Camping among which prohibits illegal drugs, alcoholic beverages and tobacco products on camp property;*
- *To return home promptly at my own expense if my failure to cooperate with the spirit of this Covenant is such that the Director of Camping asks me to leave.*
